6	7	NOTES: The Scriptures for April 2018 focus on Humility. The world defines humility as having a modest or low view of one's own importance or worth and being free from pride and arrogance,. The Bible compares humility with meekness, lowliness, selflessness, gentleness, submitting yourself to God's will, and thinking of others before yourself. We are to set aside our pride and selfishness in order to serve and care for others. Take the verse of the day in first-person and pray it back to God. These are just examples – feel free to change them up and make them uniquely yours.
