## Directions

Starting with Pencil, Draw the RED Ink in Each Step. Then Ink All Lines. Erase Pencil. Color.

#1. Draw 3 'sausage' shapes at the top using different angles.

#2. Add spike to top of each.

**#3.** Draw double lines for stems at graceful angles, crossing if desired.

#4. Pencil 5 long twisty leaves that cross over one another and stems.

#5. Ink all to this point.
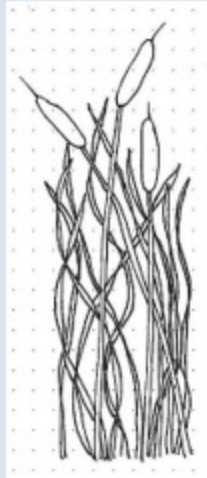

#6. Erase pencil.

#7. Pencil in another 5 long skinny twisty leaves that cross behind one another.

#8. Ink new leaves making sure to draw them as passing behind all previous layers.

#9. Erase pencil.

#10. Color heads and stems brown.

#11. Working from top point of last 5 leaves drawn, color in dark mossy green.

#12. Working from top point of first leaves drawn, color in brighter mossy green.

ALTERNATIVE: Skip coloring altogether, and fill in all heads, stems and leaves with SOLID black for a silhouette.
