

Directions

Starting with Pencil, Draw the RED Ink in Each Step. Then Ink All Lines. Erase Pencil. Color.

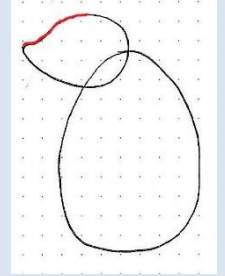

#1. In pencil, draw a small 'egg' laying on its side.

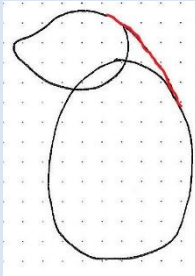

#2. Add a large 'egg' standing on its wide end. These overlap a bit.

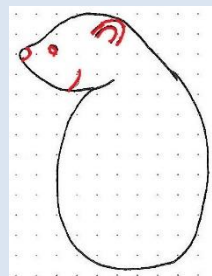

#3. Indent the top of the small egg to create an upturned snout

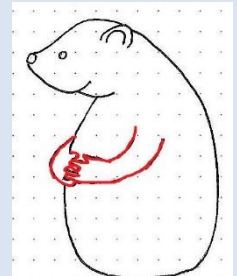

#4. Smooth the back of the neck on the right.

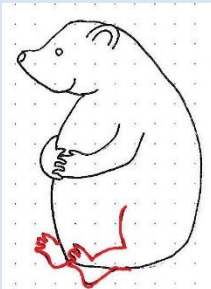

#5. Add nose, mouth, eye and ear.

#6. Make front feet curve over the belly with intertwined 'fingers'

#7. Add back feet and haunch.

#8. Pencil a guide for the bristles where yellow line indicates.

#9. Draw bristles with deep 'V's.

#10. Ink bristles first. Then ink back between and over them as shown by green line.

#11. Ink remainder, erase pencil. Color.
