

Directions: Starting with Pencil, draw the RED Ink in Each Step. Then Ink All Lines. Erase Pencil.

#1. Create guides of two boxes: 8x8 units on bottom with 4x8 units on top.

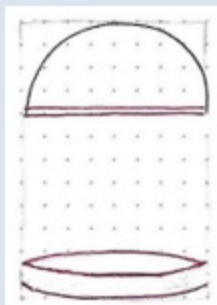

#2. Draw a guide circle with sides touching at horizontal line and top of box.

#3. Trace only top.

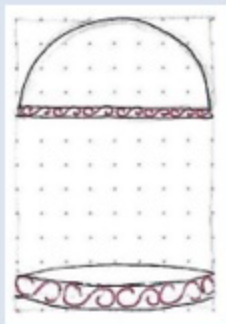

#4. Draw thin double band across guide at bottom of dome.

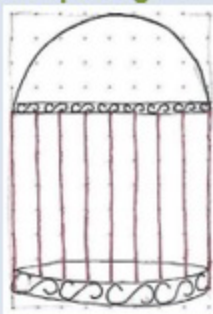

#5. Add flattened curves that are 1 unit high and meet sides at 1/2 and 1 1/2 units.

#6. Fill top and bottom bands with scrolls of sideways S.

#7. Connect top band to bottom band at sides and every unit spacing.

#8. Make curved lines to connect center top of dome to dome bottom at unit marks.

#9. Draw perch at 4 units from bottom. Connect to top of dome with dashed lines just outside three center bars.

#10. Add scrolled finial to top.

#11. Add bird to perch.

#12. Alternative: Add door and perch bird on it.

#13. Trace in ink. Erase pencil when ink is dry. Fill in perch and bird with ink.
