

Directions:

Start with Pencil.
 Draw the RED Ink in Each
 Step. Then Ink All Lines.
 Erase Pencil.
 Color If You Wish.

#1. Pencil two guide circles and one guide oval.

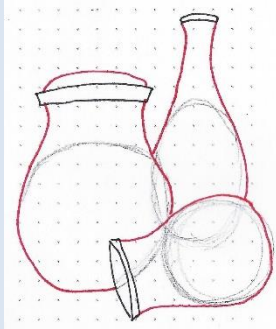

#2. Add rims for three jars. Right one is tallest, left is widest, bottom is on edge and includes an oval as well.

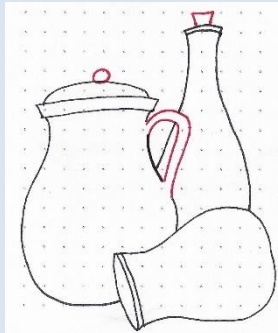

#3. Blend each rim in symmetrical curves to meet its guide circle.

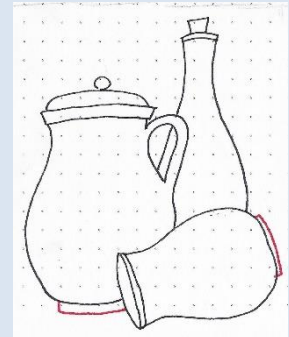

#4. Add domed lid to left jar.

#5. Pencil in bottle stopper, lid knob and jug handle.

#6. Add footed rims to jug and jar.

#7. Ink all parts of jar then jug then bottle.

#8. Erase pencil and color.
