

### Directions

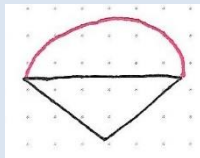

Starting with Pencil, Draw the RED Ink in Each Step. Then Ink All Lines. Erase Pencil. Color.

**NOTE: STEPS #1 THROUGH #9 ARE PENCIL GUIDELINES.**

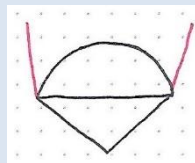

**#1. Draw a wide flat triangle.**

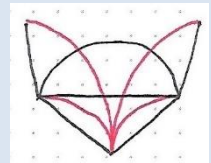

**#2. Top the triangle with a half-circle.**

**#3. Add angled lines from outer intersections.**

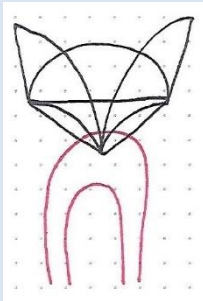

**#4. Curved lines connect top of lines with base of triangle.**

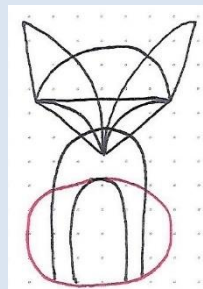

**#5. Curved lines connect outer intersection with base of triangle.**

**#6. Upside-down U overlaps the triangle.**

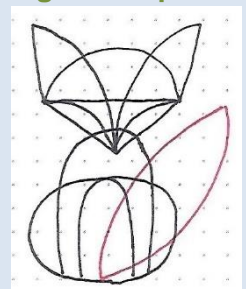

**#7. Echo with another U, making more space at the top than at the two sides.**

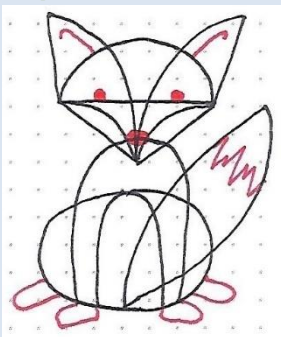

**#8. Rounded oval crosses at inner U and at base of nested U's.**

**#9. A leaf shape rests on the base of the oval at center and angles off to the right, coming up to same height as top of triangle.**

**#10. Pencil details of ears, eyes, nose, tail, feet using guidelines as shown for placement.**

**#11. Ink over #10 details then rest of fox using guidelines for placement.**

**#12. Add mouth.**

**#13. Erase pencil.**

**#14. Color fox as shown in sample.**
