

Directions

Starting with Pencil, Draw the RED Ink in Each Step. Then Ink All Lines. Erase Pencil. Color.

#1. In pencil, draw an upright oval.

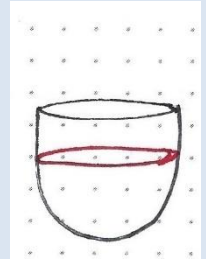

#2. Draw a flat oval 1/3 way down from the top. It should be pointed on the sides where it touches the sides

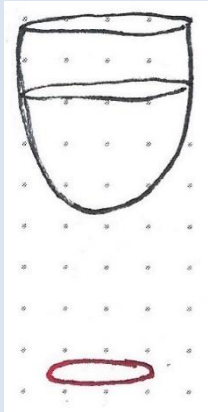

#3. Add another oval 1/3 of the way from the bottom.

#4. Erase the dome over the top.

#4. Draw a smaller flattened oval. Even spacing from the top of the liquid to the base of the bowl and from there to the bottom oval.

#5. Draw curved lines from the base to form a stem then flare out into the base.

#6. Add two reflections on right side that follow the curve of the glass.

#7. Add shallow U to bottom of bowl.

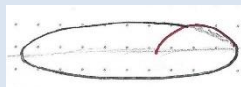

#8. Add a second line to base to add depth.

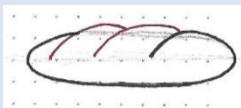

#7. Draw long oval with flat bottom.

#8. From right top add a curved line that bulges over outline and dips down to centerline.

#9. Add two more humps on top.

#10. Color wine and bread. Add shading under bread and glass for 'table' surface.
