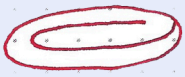
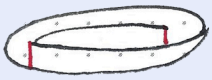
#dr216 Spiral Rose

Draw the Red Ink in Each Step
Start with Pencil, Then Ink All Lines
Then Erase Pencil and Finally Color

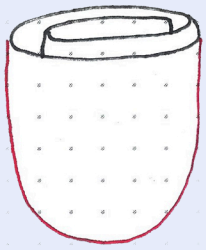
#1, Draw a flat spiral from inside to out. Connect final end to outer spiral.



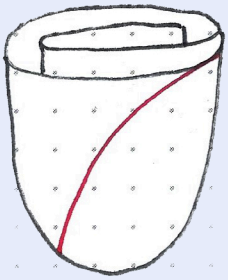
#2, Draw line from each ring of spiral to line below it.



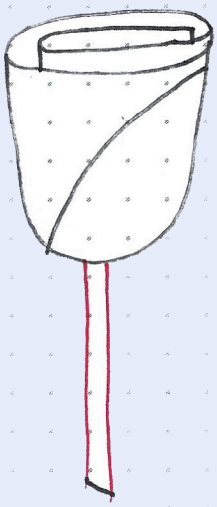
#3, Add Deep "U" Connecting Sides of Spiral



#4, From right of Spiral to left of base, draw a curving line.

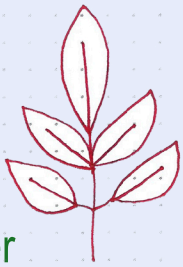


#5 Add Stem



#6 Make a spiky collar at top of stem. Add leaf base (offset, not straight across from each other)

#7, To each leaf base, add a 5 leaf cluster Bottom leaves of cluster are on little stems.



#8,To make a Top View Rose: Make spiral rounder and more turns Make bowl shallower Only show tips of collar
