

Embellishing I Corinthians 13:13

Using Doodle Dangles

This I Corinthians 13:13 Inspirational Project Worksheet is for personal use only. The art is designed to fit a Bible with a margin between 1.8 and 2 inches wide but could also be made into nice bookmarks.

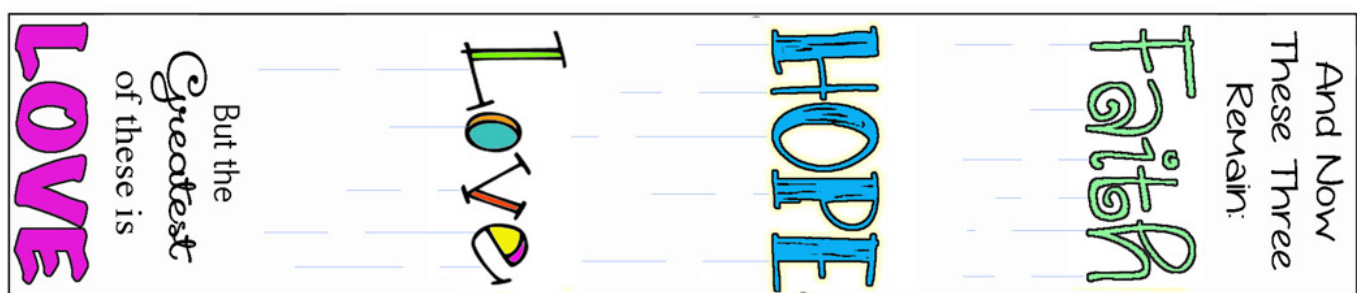

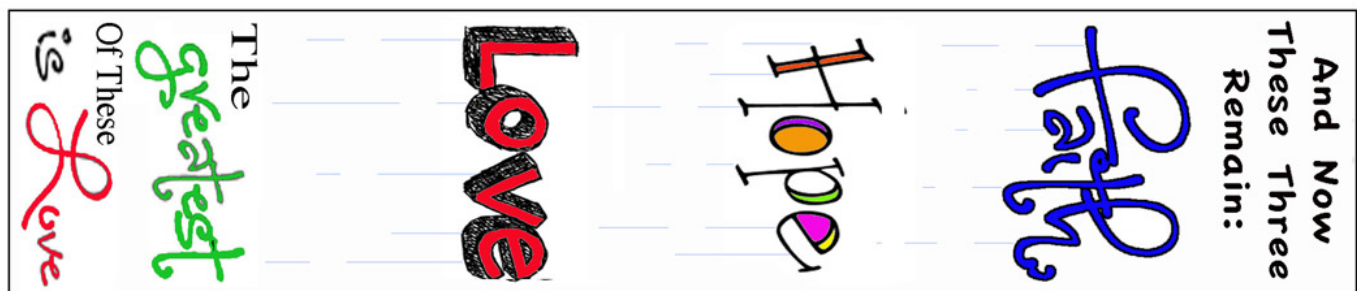

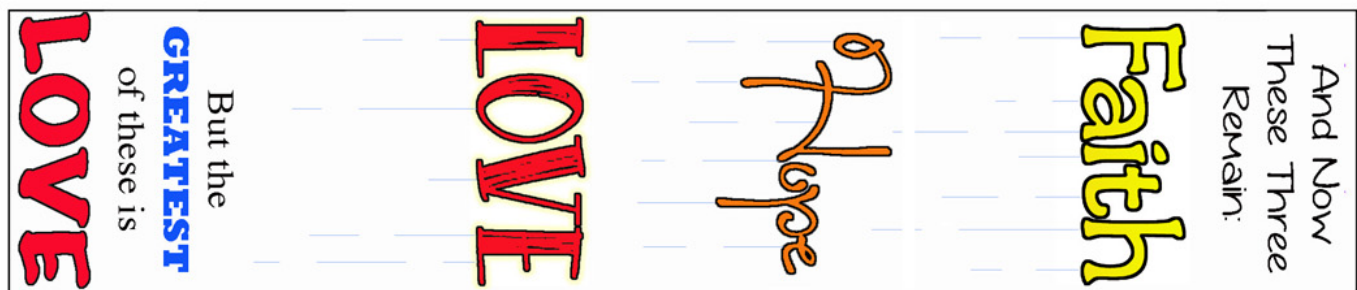

For practice purposes, the blue lines are the logical places for your Dangle Strings. The gaps in the blue lines are recommended spots for putting the Dangle Ornaments of your choice found on the Dangle Worksheet pages or from your imagination.

After printing and doodling until you are happy, cut out your favorite piece of word art and either trace it into your Bible or use the Graphite Transfer Method found in the Tips and Tricks section at the Creative-Bible-Journaling.com website to get the art into your Bible.

No matter how you do the rest of the art, I would recommend you outline the words Faith, Hope and Love with a black pen to ensure they pop off the page.

 1 Corinthians 13:13

NIV - And now these three remain: faith, hope and love. But the greatest of these is love.
