

Drawing Lesson

Wavy rose

Genesis 1:12 "The land produced vegetation: plants bearing seed according to their kinds and trees bearing fruit with seed in it according to their kinds. And God saw that it was good."

STEP #1

Using Pencil, start at Upper Right and Draw "Wavy Rounded Blob" In a Counter-Clockwise Direction. Stop just Short of Starting Point.

STEP #2

Keep Drawing Counter-Clockwise as you Spiral in with more "Wavy Lines" Stop near the Center

STEP #3

Keep Drawing Counter-Clockwise While You Make a "Center Loop" and Start Spiraling "Outward"

STEP #4

Continue Spiral, While Wavy Lines Cross On Another, Creating lots of Shapes. Join to Original Starting Point, if some areas need Closure Or Extension, Just add like I did at the Dashed Lines - - - -

STEP #5

Ink Over Pencil Lines and then Erase Pencil

Note: Every Rose Will Look Different Just Like in Nature!
