

Creative Scripture Writing

You can write the verse from several translations using a notebook or printable stationery from our website. Some members illustrate or doodle in a sketchbook or even index cards. Still others write in their Happy Planner, embellishing with Washi tape, stickers, die cuts or scrapbooking elements

TRUST

God knows everything we are going through at this very moment and everything we will go through in the future.

He knows the best way to handle every situation so we get the best possible outcome.

Having faith is having trust. You have to trust with your entire being that God has your back - that He will help you and take care of you.

He knows what is best, but to truly embrace what He has planned for you, you have to fully trust.
