

MONTH #1
JANUARY 2024

Scripture Writing

Writing one verse a day is a great way to get into God's Word with Creative Bible Journaling. You can write the daily verse from one or several translations using a notebook or the printable stationery from our website. Some members doodle in a sketchbook or type & trace on index cards using a light pad. Still others write in their Happy Planner, embellishing with Washi tape, stickers or die cuts

If you miss a day or two, no problem, you can either pick up where you left off, or start at the current date. No pressure to play catch up, honest. Write when you can, post when you can, no stress.

This Month's Theme is...

ALL THINGS NEW

God has been so gracious to bless us with a new year, a new life, and a new season. Let us honor Him this year and make a firm commitment to spend time each day with Him and to live according to His word.
