

MONTH #2
FEBRUARY 2024

Scripture Writing

Writing one verse a day is a great way to get into God's Word with Creative Bible Journaling. You can write the daily verse from one or several translations using a notebook or the printable stationery from our website. Some members doodle in a sketchbook or type & trace on index cards using a light pad. Still others write in their Happy Planner, embellishing with Washi tape, stickers or die cuts

If you miss a day or two, no problem, you can either pick up where you left off, or start at the current date. No pressure to play catch up, honest. Write when you can, post when you can, no stress.

This Month's Theme is...

GOD'S LOVE

We love because He first loved us. While we were yet sinners. So much that He sent His only begotten Son to pay the price for our sin. His love is perfect and patience, not wanting any to perish but for all to have eternal life.
