

MONTH #3
MARCH 2024

Scripture Writing

Writing one verse a day is a great way to get into God's Word with Creative Bible Journaling. You can write the daily verse from one or several translations using a notebook or the printable stationery from our website. Some members doodle in a sketchbook or type & trace on index cards using a light pad. Still others write in their Happy Planner, embellishing with Washi tape, stickers or die cuts

If you miss a day or two, no problem, you can either pick up where you left off, or start at the current date. No pressure to play catch up, honest. Write when you can, post when you can, no stress.

This Month's Theme is...

PRAYER

Prayer is our way to communicate with God our concerns for family, friends, and about any situation we are facing. The Bible tells us that we can draw near to God through prayer, bring Him our requests, ask for His help, and he will meet us in time of need.
