Scripture Writing

Writing one verse a day is a great way to get into God's Word with Creative Bible Journaling. You can write the daily verse from one or several translations using a notebook or the printable stationery from our website. Some members doodle in a sketchbook or type & trace on index cards using a light pad. Still others write in their Happy Planner, embellishing with Washi tape, stickers or die cuts

If you miss a day or two, no problem, you can either pick up where you left off, or start at the current date. No pressure to play catch up, honest. Write when you can, post when you can, no stress.

This Month's Theme is...

STRENGTH

We all face times in life that require more strength than we feel like we have. The Bible tells us that when we are weak, God is strong! We can turn to Him to lift us up and keep us steady. May these Bible verses about strength provide you with comfort and peace as you rest in the promises of God.
