

Directions

Starting with Pencil, Draw the RED Ink in Each Step. Then Ink All Lines. Erase Pencil. Color.

#1. Pencil a grid 8 units tall and 9 units wide.

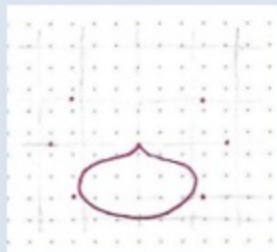

#2. Draw horizontal divides at 1, 3 ½ and 5 ½.

#3. Vertical dividers work out from center at 2 ½ and 4 1/3 each way.

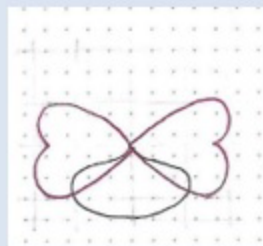

#4. From 0 vertical and 3 ½ horizontal draw a wide teardrop, crossing guides as shown.

#5. Add 6 guide dots as indicated in red.

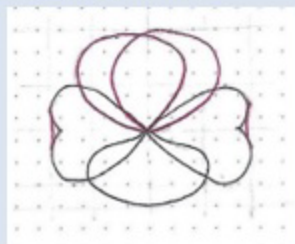

#6. Use guide dots to draw a reclining heart on each side with points meeting at tip of teardrop.

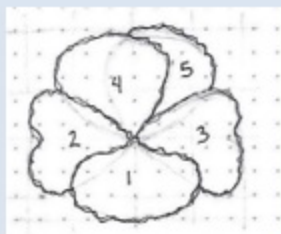

#7. Flatten out tops of hearts to a curve.

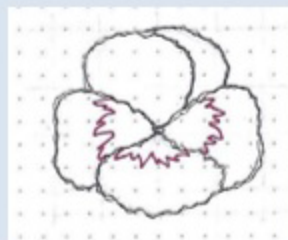

#8. Add overlapping balloon shapes to top using grid for size and placement.

#9. Trace petals in ink in order shown using double wiggly lines, stopping where each passes behind one already drawn.

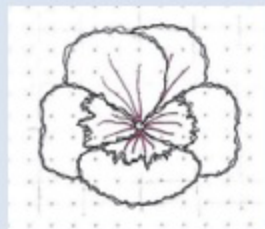

#10. Go back to pencil. Use spiky lines to define the throat.

#11. Add veins inside back petals and throat

#12. Double the lines defining the throat.

#13. Cluster 3 flowers together at different angles. Fill in behind with leaves shown at left.

#14. Color as desired. Look up photos on Pinterest or Google to find your favorite color combinations.
