

# CBJ DRAWING LESSONS

## #D19-36 "Lion"

**DIRECTIONS:** P-I-E (Pencil, Ink, Erase) First use PENCIL, Draw the Red ink in each step. Then INK all lines, ERASE Pencil. COLOR

#1. In pencil, draw a guide circle that is 7 1/2 units across.

#2. Divide into thirds with two vertical lines. Divide top third with a horizontal line. (each section is 2.5 units from the edge of the circle)

#3. Create a circle that is 3 1/2 units across and overlap half of it into the bottom of the large circle.

#4. Connect the vertical lines from 1-unit below the horizontal guides and curve down to meet the outer edges of the small circle.

#5. At the top and the bottom of the larger circle, create pointed indentations that span the width between the vertical guides.

#6. From the lower indentation extend a vertical line one unit up and cap it with a wide triangle with a curved top.

#7. Connect the tips of the triangle with the tops of the bowed vertical lines from step four.

#8. Add almond-shaped eyes from that last intersection which slant upwards to the horizontal guide. They will be 1 1/2 units wide.

#9. The ears connect to the head at the top and side intersections of the guides. They extend 1 unit above and one unit outside the original guide circle. Make a second line inside the first.

#10. Add three whiskers to each side of snout. The center one is longer than the top and bottom ones.

#11. From the inside corner of each eye, draw an arch up and toward the outside.

#12. Sketch a heart shape about 3 units outside the head.

#13. Add a wavy line at about half the length of the ear. Erase the base of the ears.

#14. Ink all including pupils of eyes, the nose and inside the mouth. Fill mane with wavy lines working top to bottom.

#15. Erase all pencil lines. Color using photo references found online.
