

#1. Make guide boxes – rectangle on top of square. Note proportions.

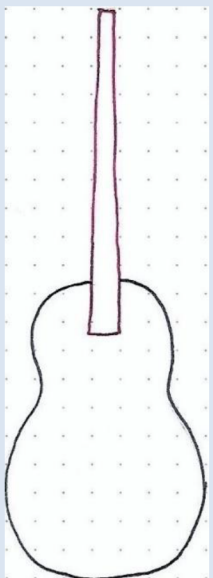

#2. Draw oval and circle in them as shown.

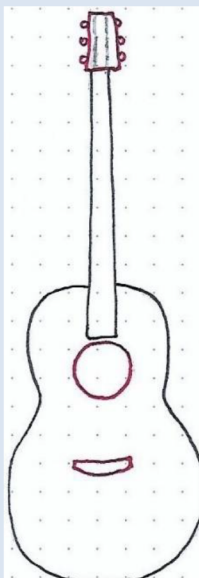

#3. Connect oval and circle with concave lines

#4. Add tapered neck a little taller than the body.

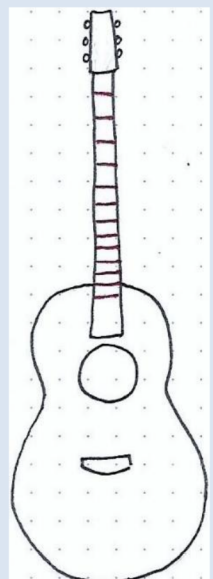

#5. To top add a wider rectangle that shortens the neck. Add six circles along its sides.

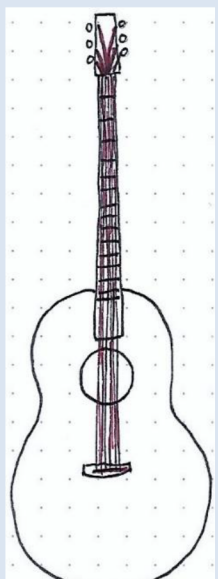

#6. Make large circle in body and curved bridge underneath.

#7. Make cross bars across neck getting closer together as they come toward body.

#8. Ink and add 'sketchy' strings from top keys to bottom bridge.
