

# DESIGNING DANGLES

## For Simple Embellishing Of Word Art

Like a bead curtain, your word art may be embellished with ornaments that can be strung on any combination of lines.

These lines may simply hang from the bottom of the letters or be tangled or tied around the individual letters.

This is the simplest application of Dangling Doodles.

# WORD ART

## PLUS YOUR CHOICE OF ORNAMENTS

Any little doodle that pleases you is suitable to use for a dangle ornament.

You can keep to a theme, like hearts and flowers, or geometric shapes, Or mix them up any way that pleases you.
