3	4	NOTES: Peace – What is peace? Tranquility, harmony, or security may come to your mind, or perhaps freedom from war or the cessation of violence. All of these descriptions are fleeting, momentary, and temporary. Only through Jesus can we find inner peace that is both eternal and 'passes understanding'. Take the verse of the day in first-person and pray it back to God. These are just examples – feel free to change them up and make them uniquely yours.
