## July 2018

### Scripture Planner

July 2018 Scriptures: Singing... Worship and praise to God can always be turned into a melody. With more than 60 verses in scripture that mention singing or music, it is obvious that this is important to God! Did you know that "Psalms" means "instrumental music" and, by extension, "the words accompanying the music"? So make a joyful noise unto the Lord with this month's collection of bible verses and sing to an audience of One!
